

Military Issue Rifle Event

**Cavalier Rifle and Pistol Club Range 5
Second Sunday of the month
0900 Sight in**

Safety

NRA safety rules will be observed. Only load rifle by command of safety officer. Keep finger off trigger till sights are on target. Use open bolt indicators while not on the firing line. There will be absolutely no handling of rifles while folks are downrange. Observe posted speed limit on Boondock Lane entering range.

Equipment

Any military rifle issued to regular infantry troops (ours or theirs) prior to 1945. Maximum allowed caliber is 46. All rifles must be in original configuration as issued. Custom configured stocks, enhanced sights, triggers or other competition parts are not allowed.

No steel core ammo and all ammo must be checked with magnet. Shooters are responsible for making sure their ammo will not unnecessarily damage the rifle targets. Spotting scope suggested.

Target

Silhouette 24 inches high by 18 inches wide will hang on chains at 300 yards.

Scoring

Hits will be confirmed and recorded by spotters.

Course of Fire

In order, shooters will engage target with 10 rounds standing unsupported in 2 strings for a total of 20 rounds. Prizes will be bragging rights and random drawing. Multiple entries allowed time permitted.

Semi autos issued prior to 1950 are allowed to shoot a separate course. Shooters will engage target with 8 rounds standing unsupported in 2 strings for a total of 16 rounds in 45 seconds.

COST \$5 PER SHOOTER

This event is not open to the public. Only CAVRPC members and their guests may participate. We will be shooting with other folks on Range 5 so please be courteous of others.
