I would like to thank the eleven brave soles that participated in the first Ram Bash of the year. It was a great shoot; it was overcast, a slight chill in the air and lots of **MUD**. Lets give a hardy thanks to Bill Curry and Bill James for painting the rams and for changing the color of my van. I am sorry for making you change number 4 ram from black to white. And yes Bill C. I know what you said when you turned around. I felt the hair on the back of my head stand up. When I got home, I took it to a car wash and wash off about half of the mud from the 200-yard line. Paul Schaapman brought all of his sons; it's good to see father and sons shooting against each other. We had one shoot off between Paul Schaapman and Ed Cunningham for third place. Jay Mason 1<sup>st</sup> , John Marhefka 2<sup>nd</sup>. And Ed Cunningham 3<sup>rd</sup>. Jay told me the 36 he shot today was his personal best, nice going Jay. Our new shooters for the shoot were Patrick Schaapman and David Stone hope to see more of you. That's about all for now, see you in February.
