500 yd. Buffalo Match

First off I would like to thank everyone for attending the first Ram Bash of the year. I could not have asked for better weather. We had an early morning chill in the air, no wind to contend with and ample sunshine. We did fire up the patio heater for the thin blood shooters, when the heater got up to temperature everyone was crowding around it. It kind of reminded me of strippers working the pole in a strip club.

I would like to thank the four new shooters who attended the match, J. B. Weaver, David Caughey, Russ Levin and Tony Orlando. And lets not forget Mike Johnson; he did remember to bring ammo this time.

By the looks of the scores, shooters were out for blood this month. Between first place and fifteenth place there was only a seven-point spread. George Harris took first, J. B. Weaver took second, Haley Pearsall took third in a shoot off, Owen Peters took tenth in a six way shoot off and J. B. Anderson took fifteenth. In the 500-yard buffalo match, Bill James walked away with first place hitting the buffalo six times out of ten shots, great shooting Bill. We will be having the buffalo match every month, except **April and October** these are the months we will be having the high power silhouette shoots after the ram Bash.

Lets not forget the guys who set up the targets and painted rams and the buffalo. After the match we gave out the awards for last year (2012). Bill Dave took first; he was not able make the shoot today. He said he was sick, personally I think he did not want to be out shot by Anthony. George Harris took second and Jay Mason took third. We also gave Frances Hicks an award for making and bringing the best dam brownies this side of heaven. That does about all for now, see you in February.

Tip # 1) you know those address stickers you get in the mail from every Tom Dick and Harry. Try putting them on your ammo boxes and any other small item that you might leave at the range, and then I will know whom they belong to when you leave the range after the match.
