So I lied, it was a very warm day, short sleeve shirts and short pants weather. Our turnout was good, spite not having a lot of the regulars with us on Saturday. A few of our shooters were on the rivers trying to catch the big one and in the field trying to stick Bambi. We had some attending the 4H Va. State Shotgun Nationals. Aubery Adcock's granddaughter Amy took first place in the junior class. The Schaapman kids also did quite well. Anthony took 2nd place in the senior class. Charles Hillier showed up after a long hiatus from the Ram Bash game. Charles was a regular when we shot the ram bash at the old Hanover range, great to see you back. We had three shooters battling it out for first place this month. After the smoke cleared it was Owen, first; Bill, second; and George, third. We had shoot-offs for tenth and fifteenth places. Brian, tenth and Frances, fifteenth. (OF) class was won by the dirty old man himself, Mike Logan.

Next month will be our Thanksgiving turkey match; there will be no money prizes. There will be turkeys large and small there will be turkey products, which I will not go into detail about, but if it was made from turkey I will have it and all the other crap that goes on the table. Everybody will walk away with something.

My son called me last week; he is on a job working in Elizabeth City, NC. He found a boatyard that has a 5200 lb lead sailboat keel. They want .80 per pound. What I am asking, does anybody have any ideas on how to get it up here without popping our corks.

If you have anything you want to get rid of or if you are looking for something let me know and I will put it in the next letter.

We had a power outage last week and my PC, TV and games console shut down immediately, and it was raining.
I couldn't shoot, so I had to talk to my wife for a few hours.
She seems like a nice person.
