For once we almost had a perfect day for shooting, cloud cover, a little wind and a sprinkle of rain, then a dead calm for most of the day. Not much of a turn out, there was the NSSA National Match and opening day for bow season this weekend. I would bet there was more chiggers gotten than deer, what do you think. As you can see by the scores above the two fat boys of Cavalier clan took first and second. There was a three-way shoot off for third place, which was won by George Harris of the Fairfax clan. Again, a thank you to Frances for the brownies, I think everybody got their fill this weekend.

Aubery Adcock won the buffalo shoot in a three-way shoot off. I have to tell this story. Towards the end of the shoot off the light was diminishing. Aubery hoisted his rifle took aim and you could hear him saying, I can't see it, I can't see it, I can't see it, now I see it, no I still can't see it, now I see it, BAM. Two and one half seconds latter CLINK, a hit. Not bad for someone

who can't see the target. Good shooting Aubery. On Friday Aubery and I were at the range shooting the buffalo after about fifty rounds, Aubery was ready to turn his rifle into a tomato stake.

Our next shoot will be November 3rd. this will be our turkey shoot. We will be raffling of turkeys, bacon and other items. Match starts at 1:30; gate will open at 12:00.
