Well what can I say; we had an almost perfect fall day for shooting. A little chill in the air and a slight breeze blowing, it kept things interesting. While the rams were getting painted the sun hogs would run out in the sun to warm up. We had a few complainers who wanted me to fire up the heater, give me a break, what till it gets cold. As always Frances brought the famous dark chocolate brownies, I have not seen so many grown men with such sweet tooth's. There was a three-way shoot off for tenth place, which was won by Ken Burklow. A new fellow came by to watch today, his name is Peter Gorsuch; he wants to learn to shoot this game. He could not get over how much fun we were having. He has a 43 Spanish he wants to shoot, I will get him with Aubery Adcock. Aubery is our 43 Spanish expert. The turkey raffle went well, we gave away about \$90.00 worth of turkeys, pieces and parts. Our next match will be December 1st, hope to see everyone there.

Next year I hope to have a time change on the Ram Bash, it will be an AM shoot instead of a PM shoot. This will mean you will have to get up early instead of getting home late. I hope I don't loose anybody because of the time change. I will keep you posted on this.
