\* = Shoot off winner

It was the afternoon of November 5, 2011 when 28 hardy men and women ascended on range 5 for the second (Turkey shoot) Ram Bash. For your information this was a record attendance since we started this game. We had slots for four more shooters, after that I would have to turn people away. Now you know why I like to do pre registration, so when you get my e-mail the Monday before the shoot please reply with a yes or no. If you have to cancel, drop me a note, that way I can give your slot to someone else.

The weather was good for a change; a little nip in the air and a slight breeze was blowing, which made things interesting. The only mishap for the whole day was when the #3 ram jumped off its hook three shots into the first relay. We had three new shooters today, Hope White, John Wenchel and James Moore. First was Haley Pearsall, Second

was Bill Davis, third was Jay Mason, Tenth was Anthony Schaapman and fifteenth was Paul Schaapman.

After the shoot offs we raffled off a turkey, turkey breast, Cornish game hens and other turkey pieces and parts. Francis Hicks won the drawing for the turkey, decided she didn't want it and asked for the turkey breast instead. Augie Kowalik won the second place drawing; he got the turkey and T. White won the third place drawing and got the Cornish game hens. There were others, I don't remember, I did not take notes.

I want to thank T. White for being second in command and Bill James and his crew for setting up, painting and taking down the rams. I hope everybody has a great Thanksgiving, see you in December.

Ed Cunningham

Note: We will not be shooting a buffalo match till we go back on daylight savings time next year. I can set it up for practice before the ram bash if time permits.
