You could not ask for a more perfect December day for a rifle match. A little chill in the air, the sun was shining and there was no wind to speak off. This was the last match of the year and I want to thank everyone for participating through the year. We had a total of 234 shooters during the course of the year, of these, 86 were members and 148 were guest. We gave away \$ 2170.00 in prize money and that did not include the food prizes for the Easter and Thanksgiving matches. Again thanks.

The day started out great, Frances Hicks brought the best tasting chocolate brownies that I have ever tasted. They sat on the bench unopened for the first relay, during the second relay a young lady came up to me and asked if she could have one, and I said, sure take all you want. After she opened the container and got what she wanted, that was signal for the rest of the mob. The only way I can explain it. It was like yellow jackets ascending on fried chicken and potato salad at a picnic on a hot summer day. Towards the end of the match that young lady came back to the brownie bowl and started picking the crumbs from around the last brownie. I guess she was to polite to asked for the last brownie, I told her to take it and run.

We had a new shooter his name is Ray Francis; hope to see more of you next year. We had three shoot-offs, for first, tenth and fifteenth places. Bill Davis took first and the high score pot, Dan VanRoekel took tenth and Brian Hearn took fifteenth.

Now for the yearend results, our own grand guru, big cheese and all around nice guy Haley Pearsall took first place with an average score of 35.2, Bill Davis took second with an average score of 34.4. And yes Bill you are a nice guy also, and a pleasant person to be around. And the grand wizard of black powder cartridge loading and long range shooting George Harris took third with an average score of 33.

I want to thank everyone for coming out this year; it was a good and safe year. As you know, Dwight Hlustick had a knee replacement on the 26<sup>th</sup> or the 28<sup>th</sup>. He will be in rehab for a couple of months, hope to see you in February. John Marhefka has eleven working days left, and then it's retirement time. For two weeks he will be walking around the house, trying to find something to do. I know I've been there.

If I don't see you before next year, have a Merry Christmas and a Happy New Year.
