From the reports I have received you all had a good shoot Saturday. I hope to be back in action for the March shoot. For your information I slipped on an ice sheet as I was going out the door on Tuesday. Tore the crap out of my knee. I would like to thank Aubery and Augie for running the match while I am under the weather. On a lighter side, I think we all should take up a collection and buy Aubery a spare key for his truck so he won't have to break out a window when goes down to paint rams. Haley, it was good to see you getting back in shooting form. George Harris took first place, John Marhefka took second place, and for third place there was a shoot-off between Aubery Adcock and Bill Davis. Aubery took the third place. To the boys from the Fairfax Club good shooting. Hope to see everybody at the March shoot, that will be 3/5/11, maybe the range will dried out by then.
