Well, it looks like we had another chilly morning on the hill today. The conditions were excellent for an old fashion rifle match. There was a slight over cast, no wind and a slight chill in the air and yes; we did see a little snow. You can see by the scores that everything was working; there was only a five-point spread between tenth and first place. We had three shoot offs, for first, tenth and fifteenth places. We had our first Ram Bash (OF)* class shot today. Mike Logan won it. There were six entrees this month, Joe Stutts, Mike Logan, Augie Kowalik, Ed Cunningham, Bill James and Aubery Adcock. Our new shooter for the day was, Travis Walrod. And lets not forget Frances and her excellent brownies. I have a story to tell. At the last relay, Ken Burklow came over to my beach where the brownies were setting. I watched him reach for one and as he was about to cram it into his mouth, I said stop. Ken, I said, do you know what happens when you eat sugar, it will make your heart race faster. Look at your scores, you have three nines so far, you have a chance to win this match, don't screw it up with a mouth full of sugar. He took my advice and after the shoot he came by and said, thanks for the advice, then he ate the brownie. Sorry George.

*(OF) class, is anyone seventy years old or older, the oldest this month was Joe Stutts, seventy-nine years young. If you haven't figured it out, OF stands for "Old Fart". So, when you turn seventy let me know.

There will be a high power silhouette after the April Ram Bash, so that means there will be no Buffalo match. We will restart the Buffalo match after the May shoot. Our next Ram Bash (April) will be the Ham Shoot, we will raffle off hams after the match. We will miss Easter by a week, but what the hell, ham is good any time of the year.
