What can I say! Did we have rain? NO. Did we have snow? NO. Did we have ice? NO. Was it muddy? NO. The temperature was pleasant for this time of the year. As for the wind, well, all I can say is son of b---h did it blow. I think the wind flags stayed parallel to the ground for the whole match. At lease the wind was blowing towards us for the whole match. Paul Schaapman took first place in a shoot off, Ed Cunningham took second place, T White took third place and John Marhefka took tenth place in a shoot off. We had three new shooters to attend our shoot this weekend. They are Ken Moore, Richard Harris, Joe Stutts and Wayne Loving. Hope to see you in April. I talked to a few of the wind gods, Dagoda (Slavic), Dajoji (Iroquois), Quetzalcoatl (Aztec) and Tate (Sioux) to see if they would give us a break in the coming months. All they said was, that spring is not over yet. I hope everyone had a safe drive home. See you in April and bring a friend.
