Somebody smiled on us for the first time this year. The only thing that would have made it a better day would be if we had Hooter girls to run down and paint rams. But I guess Aubery, Augie and Joe will do for now. We had a couple of new faces for this shoot, Brian Hearn and Frances Hicks, hope to see you back. George Harris took 1st, Haley Pearsall took 2nd, Dan VanRoekel took 3rd, Paul Schaapman took 10th and Augie took 15th. You will notice on the score sheet I have put a 10 by each person who shot a string of 10 or more. We did have a ground hog watching us from the 300 yd. berm; I guess he was wandering what all the noise was about. Does anybody know Brian Hearn's phone number I need to get his e-mail address? The next shoot will be June 4th hope to see there. By the way, this was the second highest attendance. The last time we had twenty-five was in June of last year.
