Hay, was it a great day, or what. It was cool, sunny and we had just enough of a breeze to blow Dwight's smoke away. You know this will not last. We now have a water cooler thanks to Aubery Adcock. I told Aubery that I was going to buy one for the Bash and he said, hold off, I might have one in one of my piles of stuff. (I cleaned it up). Well, he found one and spent a half

a day cleaning it up and now we have water. Somebody on ram four knocked the critter off the chain hook and it took a nosedive, as of this writing nobody has owned up to it. Unlike James Moore, who bragged about it for the whole match last month.

We had three shoot offs, third, tenth and fifteenth places. It looks like first and second places went north this month and in the same truck, nice going Dan and John. After the match was over we presented Frances Hicks with a small token of our appreciation for bring the best dam brownies you ever put in your mouth. We presented her with six boxes of Ghirardelli brownie mix, hint, hint and a pass for one free ram bash. We now have three members who are getting CPA rifles. When everybody gets their rifle, we want to take a group picture with our rifles and sent it to Gale at CPA. I am going to talk to Bill Davis about holding a loading clinic for the new CPA rifle owners. We also can have a show and tell on repairs, adjustments and breakdown of the CPA rifle.

We had a good 500 yd. Buffalo match. There were seven of us shooting it out for the top honor.

We had a shoot off for first place and Owen Peters can now go down as a first place winner.

Well I have to go now; I have to hang some cameras outside. Last week some little teenage shits have been breaking into sheds and stealing anything they can carry. If someone nails the little shit I will be calling on you guys for bail money for the person.
