500 yd. Buffalo Match

Ed Cunningham	5	1
Frances Hicks	4	2
Ken Burklow	3	3
Aubery Adcock	3	4
Bill James	0	5

The weather gods smiled on us today, in fact I did not hear one complaint about it being to cold. I did hear a complaint about it being a little warm. Do you remember last year at this time, it was 104 in the shade on range 5, now that was hot. Lighting was good, a little washed out at the beginning, but as the sun got higher the lighting improved. There was a slight breeze coming at us at 12:00 o'clock. From the looks of things scores are improving. I see where Rachel is improving her scores, keep up the good work. Maybe one match we will see the Schaapman clan take one, two, and three. Dick Kennedy took first, Anthony Schaapman took second, Paul Schaapman took third, Jay Hayden took tenth, Bill Curry took fifteenth and Aubery Adcock with his new bionic eyes took the **OF** class.

We had only five shooter signed up for the 500 yd. Match. This separates the men & women from the boys. Frances tried to kick my ass, but the old man triumph. After the match she said, next time I will kick your butt, I said ok. Frances no matter the outcome your brownies are still the greatest. Forrest did a suburb job of painting the rams for us, see you next month. Glad to see Aubery back in the game now with his new eyes.

Next month our August shoot will be on the 3rd, I hope to have ice-cold watermelon after the match, also we will be shooting the 500 yd. Buffalo after the ram bash so bring extra ammo. Fairfax Rod and Gun Club will have their Ram Bash on August 27th, match starts at 9:00 AM.

If you want a good place to eat after the match, try the Hickory Notck Grill. The food is great and the people there are great.

Keep it safe
