We had a typical August summer day for shooting. The temperature was in the low nineties and there was a steady warm breeze blowing all during the day. And still I had people asking me if I could do something about the wind, dam. Frances brought her famous Ram Bash Brownies and they didn't last very long. After the match I was able to get the last one, I'll learn not to drag my feet at the next shoot. We had two shoot offs, tenth and fifteenth places. John Marhefka took tenth and Frances took fifteenth. Aubery Adcock after his eye operation on Tuesday came in at eighth place. We want to welcome a new shooter to our fold his name is Dean Schlemmer. Dean shoots an original trapdoor cal. 45-70. We hope to see more of you in the coming months. Dwight Hlustick took first place and he also took first place at the Fairfax ram bash last month, nice going Dwight. Dick Kennedy shot his new CPA cal. 38-55 for the first time and he did quite well, now if we can just get him to shoot black powder. Our next shoot will be on Sept. 1st. For the history buffs, that's the day WWII started in 1939, that's the year I was born. Time does fly by.
