It was a typical August day, in the early morning it looked like rain then the sun came out and it got hot. A hardy breeze started around 2:00 blowing straight towards the firing line. I think everyone got a kick out of shooting at the buffalo at 500 yds., before and after the match. More on the midrange off hand shoot will come out in about three weeks. We had four of our shooters to bring their brides. I would like to see more of this; it brings an air of elegance to our match. Wanlace Yates drove in, as we were about to start the match, gun and ammo in hand and no practice. Guess who won the match. We had three shoot offs; Wanlace Yates 1<sup>st</sup>, T. White 2<sup>nd</sup>, Aubery Adcock 3<sup>rd</sup>, me 10<sup>th</sup>, and Werner Gstattenbauer 15<sup>th</sup>. Well done everyone. After the match we cut up two cold watermelons, well liked by everyone. I hope everyone noticed that I cleaned up my act since we had ladies present, I wasn't going around breaking wind with every forth step. We had a new shooter, Tim Kuntz, welcome. Hope to see more of you. To all the ones who did not make the shoot hope to see you in September. Did you notice there were no blue birds flying around? The little ones flue the coop this week, so we turned the tip can upside down. No more bird crap on the shooting benches and tables.
