Looks like the weatherman lied again and let us have a Saturday without rain. It was not all that good though; the humidity was so thick you could cut it with a knife. That did not keep Jay Mason and Dick Kennedy from battling it out for first place. All I can say, that was a fine display of extraordinary shooting. Anthony Schaapman took third with a very good score. Anthony told me that it was his personal best, so far. It was good to see Ellis Kern back with us, hope to see more of you in the future. We had two shoot offs, one for tenth, won by Mike Logan and for fifteenth place, won by Haley Pearsall. To all the shooters that did not make it because of previous engagements, you missed one hell of a good shoot. I hope everybody came through the rainstorm on Sunday afternoon ok. As for me, everything that was loose on the east side of my property is now on the west side. Our next match will be Oct. 6th.
