Sorry about the last two scores, they did not get posted on the results sheet. If you remember what they were, please let me know.

From what I remember it was a great day for shooting, the over cast skies gave us good definition on the rams. I want to thank Augie for blowing the leaves off the backstop for us. We would have had a record turnout if it hadn't been for three shooters to call in sick, which I am glad they did. I don't allow snotty nose germ laden shooters on the firing line.

Scores ran high this month Mike Burns 38, Anthony Schaapman 37, Bill Davis 36. Anthony beat up on the old man by two points and with the old mans rifle. Lets not forget the Old Farts, Aubery Adcock took the (FO) class with a 34.

See you on December 21st. Just got back from the Fairfax ram bash, talk about cold it was 18 deg. in that bottom. It was so cold my boys jumped up so far in my body cavity and they said if you are going to shoot in weather like this, you will not see us till May of next year.
