Earlier this week Mother Nature tried to wreck havoc with our shoot this week. But as always she let us have a reasonable good day for the Rim Ram shoot. I don't know about you, but I was cold all day. We had to get a crew down range to sweep off the snow on the berms so we could see the rams. Well boys and girls, how does feel to get your clock cleaned by an 18 year old. Anthony shot a fantastic score today. You can blame Aubery

Adcock for this; he was Anthony's shooting coach in the Powhatan 4H program. To give you idea how good a coach Aubery is, three years ago, Anthony could not hit a bull in the ass if it was twenty feet in front of him. Anthony keep up the good work. Bill Davis came in at second place, Chuck Jordan followed up for third. We had several tens shot today (8).

Trophies were given out after the match for last years (2012) high average first, second, and third places. Haley Pearsall took first, Morgan Gassman took second and Aubery Adcock took third. Our lovable old man and member, Augie Kowalik, made the trophies for us, thanks.

Some of you I will see at the big bore Ram Bash in February, as for the rest of you see you, next month. As you all know February will be

Cold
