When Haley Pearsall has an idea it is usually a good one. With the four ram stations we were able to finish the match in two and one half hours and that included the thirteen shot shoot off between Anthony and Dick for first place. So now we will be able to have thirty-two shooters in two relays. The girls did a great job of painting the rams for us, thanks. We had three shoot offs: Anthony and Dick for first and second, Haley and Ken for tenth, Doug, Dwight and Neil for fifteenth and Aubery took the OF class.

I just finish redoing the scorecards and the scoring sheet, so we should be ready for next month. See you next month.
