-----------------	----	---

I would like to thank everyone who attended the first morning rim ram match. I am sorry you had to get out of bed so early, but look at it this way; you had no traffic to contend with in getting here. The weather was a little dismal today, chilly in the morning, over cast skies and a little rain for the rest of the day.

From the looks of the scores, some people have been living right. From first to tenth place was only an eight-point spread. Mike shot a 38 for first, Bill shot a 37 for second and Owen shot a 36 for third. Lets not forget Mike Logan who shot a 31 to win the Old Fart Class. We had three new shooters this month, Ron Lushbaugh, Walter

Flanagan and Stoney Stooeham; hope to see you all next month. Stoney I hope I spelled your name right, if not let me know. During the standard time months we will run only two (2) relays. This is so the silhouette shooters will have plenty of light when they shoot after us. When you get my e-mail about the upcoming matches let me know right away if you are going to shoot, if you snooze you will loose. That's about all for now. It was a good shoot; two Cavalier members took away prize money this month.

If any non-member would like to become a Cavalier member you can contact Bill Davis or me and we will get you a membership form. Our next match will be November 16th, see you then.

Lets not forget on November 2nd will be the big bore Ram Bash turkey shoot at range 5
